RISEMAN

INDEPENDENT FOR STATE REPRESENTATIVE

Like you, I am frustrated that partisanship prevents the problems of ordinary Mainers from being solved.

As an Independent I will represent people, not political parties. Too often decisions are made because of partisan ideology and not because it is what is best for Maine.

If we are going to create more jobs, better schools, more access to health care, and more ladders out of poverty we need to put extreme ideologies aside and get serious about getting things done.

“Walter is a man who understands the needs of others in a personal and empathetic way. That quality, along with his financial, administrative and leadership skills, makes him a strong force for positive change in Augusta.”

– Stan Cohen, Bridgton
